Central Kona FOR SALE

By order of REINNE RODANET Trustee, I offer for sale those certain arcels of land situate at Onouli, Souti Island of Hawati, described to Royal Patent (Grant) No. 1162 to F .. Schulze, and containing 174 acres. Roy al Patent (Grant) No. 2862 to Awahus and containing 739 75-100 acres, situaat Keepuka and Onouli, Island of ti-

waii. This is a tract of land of over 919 acres, situated in the most fertile and richest portion of the Island of Hawaii It faces the new Government road ox tends to the sea, and is five minutes walk from Kealakekua Bay, by wa: of the old Government road which rane through the property. Portions of the land are already under cultivation.

This tract is so situated that it b about midway between Kaliua and Hookena, and five miles from Napon poo, three most important ports of .m. Kona district. It has sufficient elevation, running up to fourteen hundred feet, to be particularly healthful, and its sail is well adapted to the growth of sugar cane, coffee, fruits, dairying or for the promotion of diversified farming.

Occ. pants of this land have easy ac cess to several ports for export, and with the advent of the Kona Railron will find themselves in close commu nication with the thriving City of Hile This, of couce, affords a splendid portunity for the exporting of farm products to the California markets. With the revival of the Kona Srza considerable portions of this land can be successfully planted to suga-

The property covered by said mortgage consists of: the deck suppressing a grave smile. "No use talking," he said, "it takes these Chicago people to make things move. They are hustlers, and I can assure you are jolly good fellows on a sea youage." ea voyage.

A half hour later as the procession of A half hour later as the procession of hacks and heavily loaded express wag-ens moved off the wharf, a grizzled old sailor turned sadly toward his ship, saying: "Wish I'd taken my chances when I was a lad—wouldn't be leading this lonely life here—I'd have a whole blooming, happy family of bright young people like that."

Six bells were chimed on his vessel, and at varying intervals for the next five minutes every vessel in the harbor himed its bells for the same evening

BIG DECREASE IN COAL IMPORTS

Although coal has been a glut on the market in Honolulu for the past few months the stocks of coal held here are not very heavy at present, and the amount that came into port during the fiscal year ending on June 30th was less by about 70,000 tons than that brought nere for the fiscal year ending on June

The price of coal is now very low, and dealers expect it to remain so, al-

though there are not near the number of coal cargoes on the way here now that there were a year ago.

For over a year merchants of Honolulu have been cutting down their coal imports as they expect that fuel oil will do way with a large part of the will do away with a large part of the demand for coal. As soon as the plantations which are to use oil for their pumping plants get in the oil burning apparatus and the oil required to run
